13%

Local Estimate (CDPH not reporting)

Tests per 100,000

411.2

(7-Day Average with 7-Day Lag)

Tier Framework Metrics

County Risk Level*	Daily New Cases (per 100k)** (7-day average w/ 7-day lag)	Positive Tests (7-day average w/ 7-day lag)	Health Equity Quartile (7-day average w/ 7-day lag)
WIDESPREAD Tier 1	>7 new daily cases (per 100k)	>8%	
SUBSTANTIAL Tier 2	4 - 7 new daily cases (per 100k)	5 - 8%	5.3 - 8%
MODERATE Tier 3	1 - 3.9 new daily cases (per 100k)	2 - 4.9%	2.2 - 5.2%
MINIMAL Tier 4	<1 new daily cases (per 100k)	<2%	<2.2%

*To advance to the next tier, a county must also meet health equity measures as described on the right.

**Case rate will be determined using confirmed (PCR-only) cases, and will not include state and federal inmate cases. Case rates include an adjustment factor for counties that are testing above the state average. The incidence is adjusted downwards in a graduated fashion, with a maximum adjustment at twice the State average testing rate.

***HCA is tracking and conducting contact tracing on antigen+ cases

Figures shown in this tab are reported by California Department of Public Health

CDPH Resources:

CDPH Data Monitoring Information

Updates as of 12/01/2020:

- In light of the recent, unprecedented surge in rate of increase of cases, notwithstar below, the following changes are effective until further notice:
 - Tier assignments may occur any day of the week and may occur more than c the most recent reliable data indicate that immediate action is needed to ad
 - Counties may be moved back more than one tier if CDPH determines that the
 intervention. Key considerations will include the rate of increase in new case,
 noted below, public health capacity, and other epidemiological factors.
 - The most recent reliable data will be used to complete the assessment.
 - In light of the extreme circumstances requiring immediate action, counties w changes the day following the tier announcement.

Costa Mesa

2,745 Cases

228 Children

Moving through the Tiers Rules of the framework:

- 1. CDPH will assess indicators weekly on Mondays and release updated tier assignments on
- 2. A county must remain in a tier for a minimum of three weeks before being able to advance to a less restrictive tier.
- 3. A county can only move forward one tier at a time, even if metrics qualify for a more advanced tier.
- 4. If a county's adjusted case rate for tier assignment and test positivity measure fall into two different tiers, the county will be assigned to the more restrictive tier.
- 5. The health equity metric is applied to jurisdictions with populations greater than 106,000. Rules of the health equity metric are described on the Health Equity Metric page.
- 6. City local health jurisdiction (LHJ) data will be included in overall metrics, and city LHJs will be assigned the same tier as the surrounding county
- 7. An LHJ may continue to implement or maintain more restrictive public health measures if the local health officer determine that health conditions in that jurisdiction warrant such measures.

Tier Framework | Confirmed Cases | Deaths | PCR | Serology | Hospital/ICII | Confirmed Cases - Demographics | Deaths - Demographics

COVID-19 NUMBERS AND TESTING

Cases in OC and surrounding counties are far above the Red Tier threshold.

https://360clinic.fulgentgenetics.com/

Visit OCGOV.COM/NOVELCORONAVIRUS for other testing options.

Weekly State Data	Current Numbers	Needed Numbers for Red Tier
Case Rate	22.2 per 100,000	<7 per 100,000
County Positivity	8.8%	<8%
Equity Measure Positivity	13%	<8%

State and National Trends as of 12/2 *Updated		
	7-day Average New Cases	Average Positivity Rate
California	15,121	7% (14-Day)
National	163,130	10.5% (7-Day)

*Southern California Region ICU beds anticipated to hit 85% as early as December 4, which would prompt the State to implement the Stay at Home Order on December 5 to last minimum 3 weeks.

NEW STATE STAY AT HOME ORDER

5/2000

California is Pulling an Emergency Brake

To blunt the surge and save lives, California is introducing a Regional Stay-at-Home Order.

Californians need to:

- Stop gathering with those outside your household
- Keep it outside and keep your mask on

Regional Stay at Home Order Map

Regional Stay at Home Order goes into effect when a region falls below 15% remaining ICU capacity.

California is Pulling an Emergency Brake

Regions where ICU capacity falls below 15% will be placed into this Stay-at-Home order for 3 weeks.

Regions + ICU Capacity Projections

Region	Projected date to fall below 15% ICU Capacity	
Bay Area	Mid-Late December	
Greater Sacramento	Early December	
Northern California	Early December	
San Joaquin Valley	Early December	
Southern California	Early December	

NEW STATE STAY AT HOME ORDER (CONT.)

Regional Stay-At-Home Order

Sectors that will be temporarily closed when a region is placed into the Stay-At-Home include:

- Bars
- Wineries
- Personal Services
- Hair Salons / Barbershops

Mental Health is Physical Health

It's important to stay active and connected during these times.

Keep connected with loved ones virtually.

Get outdoors:

- Go to a park
- · Go to a beach
- Go on a hike
- Go on a bike ride
- Go fishing
- · Do yoga, meditate

- Take your dog on a walk
- Do an outdoor fitness class
- Go on a run with your partner
- Go skiing, snowboarding, sledding

Regional Stay-At-Home Order

Sectors that will remain open when a region is placed into the Stay-At-Home, include:

- Schools that have received a waiver
- Critical infrastructure
- Retail (20% capacity to reduce exposure)
- Restaurants (take-out and delivery)

California Continues to Prepare

9 Facilities in Warm Status:

- · Fairview Development Center (Orange): 180 beds
- Porterville Development Center (Tulare): 123 beds
- Riverside County Fairgrounds (Riverside): 125 beds
- Vacant Sears Building (Riverside): 125 beds
- San Mateo County Event Center: 250 beds
- •The Craneway Pavilion (Contra Costa): 250 beds
- Fresno Convention & Entertainment Center: 125 beds
- ·Palomar Medical Center (San Diego): 200 beds
- San Francisco FMS (San Francisco): 125 beds

STATE BUSINESS RESOURCES

Immediate Relief Funds for Businesses

Billions in sales tax deferrals:

- Reopened golf courses and certain parks
- Revised zoning code to allow parking lot drive-thrus

Friday, November 20 through Thursday, December 24, 2020

Drop off new, unwrapped toys or sports equipment at any Costa Mesa fire station. The earlier you drop off your gift the more children we can support!

All toys collected are distributed to Costa Mesa non-profit organizations.

TOYS TO CONSIDER include board and card games, craft activities, art kits, building blocks, dolls, car sets, infant toys and sports equipment of all kinds. Toys should be in their original packaging or box.

Please help us stay safe by following safety recommendations, including remembering to wear your mask when dropping off a donation. We are also asking that donations are placed inside a plastic bag before placed in the box.

Join Costa Mesa Fire & Rescue, ABC7, and Toys for Tots in celebrating the 28th year of the Spark of Love Toy Drive—the largest community toy drive in the nation.

"This special community based campaign collects new, unwrapped toys and sports equipment for underserved children and teens throughout the region. This year holds a particularly high meaning and the opportunity to put a bright exclamation point in helping to close out 2020 in a special way for a child," Costa Mesa Fire Chief Dan Stefano shared. "We are so grateful for the consistent generosity of our communities and welcome any support to help brighten this holiday season for a child in need. Over the past two-and-a-half decades, the Spark of Love Toy Drive has successfully collected more than nine million toys."

For more information, please contact Fire Protection Specialist Brenda Emrick **brenda.emrick@costamesaca.gov or 714-327-7406.**
